

Hudson Valley CSA Coalition

CSA SUMMIT

Sponsorship Package

February 15, 2024 will mark the fourth annual Hudson Valley CSA Coalition (HVCSAC) Summit. A high-impact, peer-led learning event, the Summit is an opportunity for Community Supported Agriculture (CSA) farmers and food systems professionals to build community, discuss collective issues, and identify solutions.

By sponsoring this event, you are helping make the Hudson Valley farming landscape as vibrant and collaborative as possible. Thank you for supporting local, small-scale farming!

About the Coalition: founded in 2016, the Hudson Valley CSA Coalition is a collaborative effort of CSA farmers in the Hudson Valley who share a common desire to bring the CSA experience to more of their neighbors and community members. The Coalition is facilitated by Glynwood and includes more than 120 growers in the region, who collectively serve over 15,000 Hudson Valley households.
